

The Starbelly Jam Music Festival is back! If you haven't heard about us; Starbelly Jam Music Festival is a three day, family-oriented, all-ages event held in Crawford Bay, B.C. from July 5-7, 2024. The Festival hosts an annual average of 3000 participants. 800 of these participants are children. Our mission is to provide a safe, sustainable, inclusive, family-friendly music festival that celebrates everything awesome about the Kootenays.

The success of the festival goes to an amazing array of volunteers, staff and community partnerships. The support for our 2023 festival was fantastic and we are energized to be planning the 2024 festival. An important component of our ongoing viability is the support of our promotional partners. With that in mind, we would love to invite you to be a part of the 2024 Starbelly Jam Festival. If your organization would benefit from our audience's attention, your brand aligns with our mission, or you would just like to help support the Starbelly Festival in coming back to the community we would love to hear from you.

Starbelly Jam is a non-profit registered charity. We have adopted a culture of sustainable awareness and work closely with our partners to plan a festival reflecting environment first practices. We have successfully minimized our environmental impact over the years and continue to innovate bringing green ideas forward. As a music festival we assist in educating suppliers, artists and thousands of festival goers about the importance of sustainability.

We are also committed to being a socially responsible event. We are in an excellent position to make a lasting and meaningful contribution to the local community and surrounding region. Starbelly Jam thrives on providing an environment where individuals can safely be themselves while simultaneously immersing themselves with other diverse personalities and cultures. Our goal is to assist in building a diverse, tolerant, and positive community.
